Scott Augustine is a trusted advisor to, and advocate for, businesses and family offices. Mr. Augustine's practice includes mergers and acquisitions, joint ventures, private placement offerings and investments, venture capital, commercial real estate, and negotiating contracts. Representative industries include manufacturing, technology, licensing and distribution, franchising, commercial real estate (owners, builders, and developers), health care, merchant services, family offices, automobile dealers, consumer collections, commercial lending, professional and environmental consulting, accounting, and non-profit organizations. Mr. Augustine works closely with Chamberlain Hrdlicka's tax attorneys and his client's existing team of professionals to help ensure that transactions are structured in a tax efficient manner and integrated into the business owner's estate and asset protection plan.

Client Results

- Buying and selling companies in a variety of industries: transportation, merchant services, manufacturing, automobile dealers, publishing, architecture, technology, logistics, call center, SBIC's, medical consulting, retail sales.
- Private placements of securities.
- Creating different series and classes of equity.
- Negotiating syndicated commercial loans and bank workouts.
- Preparing complex operating agreements, shareholder agreements, and phantom stock plans.
- Addressing and successfully overcoming dissenting minority shareholder or family member disputes.
- Structuring joint ventures to acquire, develop, and construct commercial real estate projects.
