During the course of his career, Mr. Graham has achieved multiple defense verdicts on claims exceeding several millions of dollars, been successful in summary judgment practice on claims in excess of a million dollars, and successfully negotiated the resolution of claims involving catastrophic losses and business exposure in the \$10,000,000 million dollar range. In one recent case, after a two week Federal court trial, he successfully defended and defeated a multiple million dollar maritime products liability action and convinced the court to award his client attorney's fees as the prevailing party utilizing novel arguments in support of this extraordinary relief.
