## Professional Support Staff

We have paralegal positions in support of most of our practice areas, presently employing between 15 and 20 paralegals firm wide. While we strive to and largely succeed in achieving a high level of stability among our entire support staff, positions are frequently available for both paralegals and legal administrative assistants. From time to time other positions are available in our accounting, records, and office services departments.

We are an equal opportunity employer with a diverse staff. We respect professionals who enjoy working in a team environment with a commitment to service and excellence. Our fringe benefits include health care, long-term disability, life insurance, profit-sharing and 401(k) plan, cafeteria plan, parking allowance, ten paid holidays and a comprehensive personal-time-off program that covers vacation time and other required absences.

From time to time, available positions are posted in our "Positions Available" section at the bottom of this page.
