**“What Every Accountant Needs to Know about Cross-Border
Taxation”**

This seminar will discuss the basics of cross border taxation so that accountants can identify international tax issues as they arise in their practice. Specific topics will include residency, anti-deferral and foreign tax credit provisions affecting US taxpayers operating outside of the US, provisions affecting foreign persons investing or operating in the US, and filing obligations.

Speakers

Phyllis A. Guillory and Sebastien N. Chain

(Two hours of CPE credit for CPA's recommended to State Board for attendance at this Forum!)
(CLE credit is now being requested!) – No prerequisites for this Tax Forum!

____ **Yes, I will attend the West Houston Area Tax Forum on August 24, 2016.***
