WEST LOOP AREA TAX FORUM

June 10, 2009 – From 7:15 to 9:00 A.M.

THE HOUSTONIAN
111 NORTH POST OAK LANE, JUNIPER ROOM
HOUSTON TEXAS 77024

**"IS IT TIME TO TRUST YOUR IRA BENEFICIARY?
A DISCUSSION OF THE ISSUES RELATED TO DESIGNATING A TRUST
AS THE BENEFICIARY OF YOUR RETIREMENT ACCOUNT"**

Every day, Americans are allocating a larger portion of their savings to qualified retirement plans and individual retirement accounts. As these types of accounts grow, so does the need to protect them for the benefit of the participant's beneficiaries from taxation, divorce and creditors' claims. Therefore, it has become increasingly more important for the participant's estate planning advisers to understand the rules which govern the transfer of these accounts to trusts when planning for the participant's death. Unfortunately, these rules are numerous, confusing and very costly if violated. The purpose of this outline is to review many of the issues, benefits and potential pitfalls involved in the transfer of a deceased participant's retirement account to a trust for the benefit of his or her spouse and/or children.

Speakers

Brett T. Berly and Carol Ina Cooper
